INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Reaching U, A Foundation for Uruguay

Report on the Financial Statements

We have audited the accompanying financial statements of Reaching U, A Foundation for Uruguay ("Reaching U"), a not-for-profit organization, which comprise the statements of financial position as of December 31, 2020 and 2019, and related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

THE FIRM OF LORENTZ AND GRUBER SINCE 1945

MEMBERS NEW YORK STATE SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS AND AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Reaching U, A Foundation for Uruguay as of December 31, 2020 and 2019, and the changes in its net assets, its functional expenses, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1. ORGANIZATION

Founded in 2001, Reaching U, A Foundation for Uruguay (“Reaching U”) is a Delaware not-for-profit organization, based in Miami, Florida. Reaching U promotes initiatives and strengthens organizations that offer educational opportunities so that all Uruguayans living in poverty can develop their full potential.

COVID-19 didn’t have a material effect on the financial position of Reaching U in 2020 because it adapted its fundraising model successfully, revised its portfolio to ensure that programs could be executed albeit virtually, and embarked in a five-year strategic plan, to leverage the transformation that the pandemic has brought to the world of not for profits.

Reaching U is exempt from Federal Income Tax as an organization described in Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509 (a)(2).

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions: These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program related services, raising contributions, and performing administrative functions.

Net Assets with Donor Restrictions: These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

Cash and Cash Equivalents

Reaching U considers all liquid financial instruments with original maturity dates of ninety days or less when acquired to be cash equivalents.

**REACHING U
A FOUNDATION FOR URUGUAY**
Notes to Financial Statements

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Investment Policy and Objective

Investments in securities with readily determinable fair values are measured at fair value in the accompanying statement of financial position. Realized and unrealized gains or losses are reported in the accompanying statements of activities as increases and decreases in net assets. Reaching U's primary investment objective is to maximize total return with minimal risk. The stated goal is to preserve capital intended for Reaching U's charitable mission while generating cash flows to support current operations.

Grants and Contributions

Reaching U records contributions and grants, both cash and in-kind, when an unconditional promise to give such assets is received from a donor. Contributions and grants are recorded at the fair market value of the assets received and are classified as either net assets without donor restriction, or net assets with donor restriction, depending on whether the donor has imposed a restriction on the use of such assets.

Contributions received are recorded as increases in net assets without donor restrictions or net asset with donor restrictions depending on the existence and/or nature of any donor restrictions.

When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions and grants receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on these amounts are computed using a risk-free interest rate determined in the year in which the contribution originates. Amortization of the discount is included in contribution revenue. Reaching U received no multiyear promises to give during the years ended December 31, 2020 and 2019.

Reaching U periodically evaluates the balances in the various account receivable categories as well as the status of any significant past due accounts to determine if any balances are uncollectible. When management determines that a receivable is uncollectible, the balance is removed from the receivables balance and is charged directly against operations. Subsequent recoveries of amounts previously written off are credited directly to revenue.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

In-Kind Contributions

In-kind contributions are reflected as revenue and expense in the accompanying financial statements at estimated fair market value at time of donation.

Property and Equipment

Reaching U capitalizes property and equipment with an expected useful life of more than one year. Depreciation and amortization of property and equipment are provided on the straight-line method over the expected useful lives of the assets.

Functional Expenses Allocation

Reaching U has summarized the costs of providing the various programs and other activities on functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management determined such allocations in accordance with grant provisions and/or other equitable bases.

Income Taxes

Reaching U has adopted Accounting Standards Codification (“ASC”) 740 “Income Taxes.” ASC 740 requires that a tax position be recognized or derecognized based on a “more likely than not” threshold. This applies to positions taken or expected to be taken in a tax return. The adoption of this guidance did not have an impact on Reaching U’s financial statements, as management believes that there are no uncertain tax positions within its financial statements.

Reaching U has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it was nexus; and to review other matters that may be considered tax positions.

Reaching U’s Form 990, *Return of Organization Exempt from Income Tax*, for the years ending December 31, 2017, 2018 and 2019 are subject to examination by the IRS, generally for three years after they were filed.

Liquidity and Availability of Financial Resources

Reaching U regularly monitors liquidity to meet its cash flow requirements and operating needs. The availability of financial assets is primarily affected by management designation, the nature of the underlying assets, external limitations exposed by donors or contracts with others.

REACHING U
A FOUNDATION FOR URUGUAY
Notes to Financial Statements
December 31, 2020 and 2019

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Concentration of Credit Risk

Financial instruments that potentially subject Reaching U to concentrations of credit risk consist primarily of cash and cash equivalents. Reaching U maintains cash and cash equivalent balances in various bank accounts that, at times, may exceed federally insured limits. Reaching U's cash accounts were placed with high credit quality financial institutions. Reaching U has not experienced, nor does it anticipate, any losses in such accounts. At December 31, 2020 and 2019, Reaching U had uninsured cash balance of \$1,021,611 and \$836,875, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to current year presentation.

FASB ASC 606 New Accounting Guidance Implementation

Reaching U adopted the provisions of the FASB's ASC Topic 606, *Revenue from Contracts with Customers* (Topic 606), with an initial date of application of December 31, 2018, and a deferred implementation adoption date for the year end December 31, 2020, applying the modified retrospective method. Adoption of Topic 606 did not have a material impact on the financial statements and therefore did not result in a prior period adjustment.

New Authoritative Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The new ASU establishes a right-of-use ("ROU") model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Due to the COVID-19 outbreak in the United States, on April 8, 2020, the FASB voted to delay implementation of ASU No. 2016-02. On June 3, 2020, the FASB updated the guidance to delay implementation of ASU No. 2016-02, *Leases (Topic 842)* for one year. The standard delays the effective date for non-public entities to fiscal years beginning after December 15, 2021, and interim reporting periods within fiscal years beginning after December 15, 2022. Reaching U is

evaluating the impact of the new standard on the organization’s financial statements.

Due to the global impact of COVID-19, the Auditing Standards Board (ASB) of the American Institute of Certified Public Accountants (AICPA) delayed the effective date of SAS Nos.134 through 140, which primarily revised the layout and content of the auditor’s report to more closely align the AICPA auditing standards with both public company and international auditing standards and also introduce optional reporting on Key Audit Matters (KAMs).

SAS No. 141 Delays the effective date of SAS Nos. 134 through 140 until periods ending on or after December 15, 2021. Early adoption is permitted.

NOTE 3. GRANTS AND CONTRIBUTIONS RECEIVABLE

Grants and contributions receivable consist of amounts to be received during the following years:

	<u>2020</u>	<u>2019</u>
Receivable in less than one year	<u>\$ 85,000</u>	<u>\$ 73,024</u>

NOTE 4. IN-KIND CONTRIBUTIONS

Substantial amounts of services and space are donated by volunteers in carrying out the mission of Reaching U. No amounts have been reflected in the financial statements for those services either because the amounts cannot be quantified, or the volunteers' time does not meet the criteria for recognition under ASC 958.

Food and beverage costs amounting to \$0 and \$2,663 were donated by fund-raising event vendors during 2020 and 2019 and have been included in the statements of activities for that year under special events, as both revenues and event costs.

NOTE 5. FUNDRAISING EVENT ACTIVITIES

Total artwork and other items donated for auction for the fundraising events during 2020 and 2019 are included in fundraising events revenue on the statement of activities and amounted to \$152,613 and \$198,670, respectively.

NOTE 5. FUNDRAISING EVENT ACTIVITIES – continued

The proceeds from works of art and other items donated to Reaching U at auctions and other fundraising events are used for related programs of Reaching U in accordance with IRS's requirements. Reaching U's fair market value of works of art may differ from allowable contributions deduction for tax purposes of donors, purchases of the work of art, or artists who are subject to specific IRS regulations.

NOTE 6. BOARD-DESIGNATED ENDOWMENT

The board of directors has set aside certain unrestricted net assets for endowment purposes. Since these amounts are not restricted by the donor but restricted only by board policy, the amounts have been classified as unrestricted net assets. The board of directors may designate additional amounts from time to time to be added to the endowment fund.

NOTE 9. SUBSEQUENT EVENTS

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the closings. Therefore, Reaching U expects this matter to negatively impact its operating results. However, the related financial impact and duration cannot be reasonably estimated at this time.

Reaching U evaluated its December 31, 2020 financial statements for subsequent events through June 16, 2021, the date the financial statements were available to be issued. Reaching U is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
